

Almanac 2022 Snapshot

In 2022, the Almanac built on previous years' success to continue providing quality content to the healthcare CPD community. Take a look back at the highlights.

almanac.acehp.org

Most Read Articles

1. The ACCME Standards of Integrity and Independence: You're Not Alone If You're Not All There Yet

By Erin Schwarz; Anne Rounds; Anne Symons, CHCP, FACEHP; Megan Swartz; and Jan Schultz, MSN, RN, CHCP, FACEHP

2. Recognizing Black Excellence in Continuing Education in the Health Professions

By The Alliance Diversity, Inclusion and Access Committee

3. By 'Wordle' of Mouth – Lessons Learned for CPD From the Viral Appeal of Wordle

By Caroline O. Pardo, PhD, CHCP, FACEHP; and Kevin Obholz, PhD

Editorial Board's Top 3 Selections

1. Ask the Grantor Part 1: Total Reach and Ensuring Compliance

By Alliance Members

2. Patients First: Educational Impact of Including Patients in CE Planning

By Katie Robinson, PhD, CHCP

3. Using Stakeholder Analysis as Part of the CPD Planning Process

By Heather Ranelis, MA, MS, CHCP; and Samantha Cribari-Starr, MS, CPTD

KEY ACCOMPLISHMENTS

- Reinvigorated review process for submissions, led by the editorial board, to ensure quality of articles
- Call for articles included in Alliance communications to encourage submissions from new and seasoned authors alike
- Introduced new series: Ask the Grantor, Health Awareness Month Recognitions, Member Spotlight Videos
